proudly presents:*

The Consensus Conference on Small Water Systems Management for the Promotion of Indigenous Health

March 21 - 23, 2010
University of Victoria, BC

Timed to coincide with UN World Water Day, this conference will bring together participants from Canada and abroad for two days of presentations and panel sessions. Four major themes to be addressed are: science and technology; government policy; traditional knowledge and spirituality; and, Indigenous politics and advocacy.

Registration is **free of charge**, however space is limited so register early. A limited number of travel bursaries will be available. Questions can be directed to Rachel Link at rlink@uvic.ca or (250) 853-3115.
